## AFFORDABLE UNIFORMS FOR PARENTS.

We are living in uncertain times, where every penny counts when livelihoods are actively at risk. We wanted to take the financial burden off parents by creating a way to easily access affordable **gently used** school uniform, with all sale proceeds going straight back into the school's uniform stock.

Parents simply browse for what they need, purchase and receive their pickup information – no sign up required, no banks broken. In turn, when parents are ready to donate, they'll be adding to a wonderful ecosystem that keeps funds coming in for the school to purchase more items.

### How do I donate clothes to the UNIFORMD shop?

If you have uniform that is too small for your child, we are happy to swap the items for you for free. If you just want to donate, please speak to Rhonda Alleyne.

### Where does the money go?

We use the money to re-stock the UNIFORMD shop with essential items.
